

What we did with our summer.

Our busy summer means we can offer you even more marketing solutions, so we wanted to update our friends on what's been going on here at C+K.

FEATURE PRESENTATION

One of our notable summer accomplishments was a video we produced for CWA/NETT Academy. It was shot in North Carolina, Texas, and DC, and it took us to Chicago for its first screening and distribution. Managing amateur talent may seem a bit like herding cats, but we did it, and capturing real-life testimonials on camera is priceless.

WE CAN E-PUMP YOU UP

We've gained a lot more web programming muscle for those of you looking to integrate your Internet presence with the rest of your branding, or ready to redesign your website. Remember your home page is often your front door to the world — how does your welcome mat look these days?

ON SCHEDULE AS ALWAYS

We've always been on time, and now we're officially on the Federal government's GSA Schedule, so if you need a GSA contractor for Commercial Art & Graphic Design services, here we are. Call us for details, or find us on GSA Advantage, Contract #GS-23F-0235R, Schedule #541.

ANNUAL / PARTY TIME!

And now that it's fall, we have begun our usual string of annual reports, fundraising event invitations, and holiday cards. Yep, it's that time already. Are you prepared for the last quarter?

Chadick+Kimball is ready to help with all of your marketing communications needs! Please give us a call at 202.452.8112 x201, or e-mail Heather at heather@chadkim.com.
